Prairie-Belle Glory-ET

homebred born and raised on the farm

This dispersion offers a rare opportunity to make selections from one of the Upper Midwest's iconic herds. Due to the unfortunate passing of Mike Schiller, the family has decided to take a step back and disperse their complete herd at auction. The Schiller family is well known throughout the registered Holstein industry not only for their herds genetic influence worldwide, but equally important, their character and deep love of family. Mike and Karen began their journey on a rented farm in 1975 and developed a herd known in all corners. Anyone who know Mike and Karen consider them friends. Mid-American Auction Co. is extremely honored to be selected to conduct the Schillers dispersion. The Schillview prefix is a long time standard of excellence in the Holstein breed influencing herds from neighbors to all corners of the world. This herd has produced top AI sires most notably Garrett and Gerard, who were top sires at ABS Global, and other bulls have resulted from family members. A milestone in the Schiller journey was the co-purchase of Prairie-Belle Glory-ET who's family members brought the Schillview Holsteins to a whole new level. The Schillers have dedicated their lives to producing Holsteins that have developed strong udders, good feet and legs and most importantly longevity.

A nice memory shared by the Schillers was being named to the MN Livestock Breeders Hall of Fame.

Showing and encouraging others in the show ring was important to Mike and Karen and was an exciting honor when showing Schillview Gold Goldanne EX-92 pt. Goldanne who was named MN State Holstein Assn. Supreme Champion in 2012.

Please mark this date on your calendar and make plans now to attend this rare opportunity to purchase your next superior herd replacement or next potential herd builder from the iconic Schillview herd. Catalogs will be available late April - please phone (320) 760-2979 or view online at: [www.midamericanauctioninc.com](http://www.midamericanauctioninc.com). Online bidding available through [cowbuyer.com](http://cowbuyer.com). Pre-approval required. Call Aaron Ray Tompkins at (336) 363-4639.
